

GOVERNMENT OF NAGALAND  
DEPARTMENT OF INFORMATION TECHNOLOGY AND COMMUNICATION  
NAGALAND : :KOHIMA

NO. IT&C/5-33/08 (Pt)

Dated Kohima, the 1<sup>st</sup> May, 2012

**NOTIFICATION**

**Official State Portal and Content Contribution**

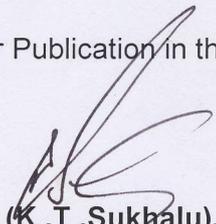

1. The Government of Nagaland lays a lot emphasis on the adoption of good governance practices and an important dimension of this is the "anytime-anywhere delivery" of government services to the citizens. A lot of these website and services are being provided online by a number of different departments working in various sectors of development. But this also means that citizens have to visit a large number of websites of government departments for different services. For making such information and services accessible in a convenient manner, it is important to have a one-stop source for all the government information and services. A 'State Portal' of Nagaland is an ideal platform to facilitate this.
2. With this in view, '**nagaland.gov.in**', the State Portal has been designed, developed and hosted by Department of IT&C, Government of Nagaland. The Portal has been developed as a Mission Mode Project under the National e-Governance Plan (NeGP) of the Department of Information Technology, Government of India.
3. The objective behind the Portal is to provide a single window access to the information and services being provided by the Government with comprehensive, accurate, reliable and one stop source of information ranging from health, education, housing and employment, law & order and finances. A variety of citizen services being provided by the Government across sectors and States/UTs will also be accessible from the Portal.
4. The portal provides a unified interface to various Government websites and acts as a logical front-end to the e-government initiatives under various Central/State Governments' schemes and programmes. Besides, one can find Government Tenders, Documents, Policies, Forms, Schemes, Maps etc on the State Portal.
5. As content is one of the major critical component of the Portal and requires the collaborative effort of all the Departments, it is, therefore requested that **all Department undertake suitable measure to ensure that a copy of Notifications, Orders, Policy Guidelines, Acts, Tenders, Programmes and Schemes, Reports and Publications including Departmental Annual Reports, Departmental/State Annual/Five Year Plans, Exam Results etc. are endorsed to the Department of IT&C, Government of Nagaland or emailed to *stateportal-ngl@negp.gov.in* for publishing on the official State Portal of the State, for the benefit of the Citizens.**
6. To give effect to the aforesaid initiative, all Departments are requested to appoint a responsible officer as Departmental Portal Coordinator, who will be responsible for contributing and approving content related to their own Department to the State Portal.

**Sd/- Lalthara**  
**Chief Secretary, Nagaland**
